

FY 2010 by Type

WCLI Rank	WCLI Score	Agency/ Office	Project Name	Project Description	Funding Request	BLM PE	Quant.	Units	Partners, Contributors, or Participants	BPS	Category	Former WCLI funding	Example of multi-year projects
				ACCESS									
Cont Fund		WGFD	Baggs Deer Crossing (HWY 789) Project	Construct about 3-4 miles of deer-proof fence to funnel a portion of migrating deer to existing culvert under Hwy 789 to reduce deer vehicle collisions.	\$38,000	JH	1	Project	Wyoming Department of Transportation, WGFD, Little Snake River Conservation District	45360	Access	2008	Yes
7	123	USFS	Increasing Habitat Effectiveness in Key Wildlife Areas of Greys River District	Delineation and assessment of habitats affected by Forest routes (2009) and treatment of habitat to address identified priorities.	\$42,000	CB	20000	Acres	WGFD and WY State Trails	47138		No	Yes
				ASPEN									
Cont Fund		BLM PFO	Wyoming Front Aspen Treatment	Conifer removal and aspen regeneration. Continuation of a ten year project with multiple partners involved.	\$60,600	JQ	500	Acres	Rocky Mtn Elk Foundation, Trout Unlimited, WYGFD, Wyoming Div. of Forestry	36504	Aspen	2007, 2008	Yes
Cont Fund		BLM RFO 030	Aspen Conservation Joint Venture: Upper Muddy Creek Aspen Restoration Project	Restoration of aspen woodland communities. Will also enhance watershed/ecosystem function and improve aquatic and terrestrial wildlife habitat	\$30,000	JN	100	Acres	FWS, WGFD, DU, TU, Private Landowners	45523	Aspen	2008	Yes
Cont Fund		BLM RFO 030	Little Snake Aspen Treatments	Conifer removal and aspen regeneration through mechanical treatments and prescribed fire	\$70,600	JL JH JP JA	1 1 1 300	Project Project Action Acres	LSRVCD, WY Wildlife and Natural Resource Trust	45359/45071	Aspen	2008	Yes
FY 2011		BLM RSFO 040	Pine Mountain/Upper Red Creek Aspen Restoration	Use hand crews to reduce conifer competition with aspen in inaccessible areas of upper Red Creek	\$200,000	JN	200	Acres	Adam Lerrick, WGF, RCEF	47136	Aspen	No	Yes
FY 2011		RFO	Battle Mountain Aspen Treatment	Treat conifer encroaching on aspen and invasive species. Improve wildlife habitat	\$80,000	JN JD	300 300			50066	Aspen	No	Yes

EASEMENT

FY2009		WGFD	Diamond H Ranch Conservation Easement	Purchase a conservation easement on approximately 3,008 acres of private land classified as crucial winter range	\$200,000	HN	1	Action	Diamond H Ranch, WGFD, JIO, WWNRT, RMEF, Mule Deer Found., Sage Grouse Working Grp., Big Game License Coalition, Wyoming Wildlife Heritage Found.	47145	Easement	No	No
		WGFD	Carney Ranch Conservation Easement	Protection of properties and holdings in the Upper Green River Valley from development through the sale of conservation easements on 2,571 acres.	\$51,000	HN	1	Action	Conservation Fund, JIO, Green River Valley Land Trust, RMEF, B-TNF	47142	Easement	No	No
1	180	PFO	Sommers Grindstone Easement	Provide Easement on lands near Pinedale	\$2,000,000	JA		Acres	JIO	50298	Easement	No	No

5	150	WGFD	Petersen Conservation Easement	Conservation easement on approximately 500 acres of sage brush/riparian habitat.	\$200,000	HN	1	Action	Petersen Ranch, WWNRT, TNC, Wildlife Heritage Found. of WY, Wyoming Gov. Big Game License Coalition, WGFD, Others	47143	Easement	No	No
---	-----	------	--------------------------------	--	-----------	----	---	--------	---	-------	----------	----	----

FENCING/MIGRATION

		WGFD	Grizzly WHMA Fence Conversion	Continue removal of fences considered to be wildlife barriers	\$38,000	JC	4	Miles	BLM, Permittees	45357	Fencing	2008	YES
Cont Fund		USFWS Seed-skadee	Improve Refuge Boundary Fence for Pronghorn Antelope Migration	Modifying the Refuge's existing fence line and installing wide gates in strategic areas will reduce known impacts on pronghorn antelope migration	\$67,000	JC	1	Project	WGFD, BLM	47141	Fencing	No	Potential
Cont Fund		BLM RFO 030	Rawlins Fence Conversions	Convert fences currently inhibiting wildlife movement to wildlife friendly fences	\$79,000	JC	50	Project	WGFD, Permittees	45507	Fencing	Yes	Yes
Cont Fund		WGFD	Red Rim WHMA Improvements	Improve infrastructure of the Red Rim Wildlife Habitat Management Area (WHMA) to provide habitat improvements	\$92,000	JA, JD, JH, JQ, JC	170 200 1 140 14.5	Acres Acres Project Acres Miles Project	WWNRTF, WGFD Trust Fund, BLM	47298	Fencing	No	Yes
3	165	Green River Valley Land Trust	Wildlife Friendly Fencing Initiative	Replace fence in critical migration corridors	\$200,000	JC			GRVLT, WGFD, landowners	52969	Fencing	No	

INVASIVES

Cont Fund		BLM RFO 030	Ferris Mountain WSA Leafy Spurge Treatment	Treatment of Leafy Spurge in the Ferris Mountain Wilderness Study Area	\$20,600	JD	100	Acres	Grazing Permittees, Carbon County	23693	Invasives	2007	Yes
Cont Fund		BLM KFO 090	Muddy Creek and Black Forks Streams Tamarix Removal	Removal of Tamarix (salt cedar) along Muddy Creek and the Blacks Forks Streams for wetland and stream enhancement areas	\$50,600	JD	100	Acres	Uinta County Conservation District, Uinta County	50998	Invasives	2008	YES
Cont Fund		BLM RSFO 040	Bitter Creek and Red Creek Tamarix Removal	Biological and herbicide control of Tamarix on Red Creek for improved native riparian vegetation, habitat quality and reduced erosion	\$35,000	JD	200	Acres	Bitter Creek: RSGA, Anadarko, SWCW&P Red Creek: Adam Lerrick, WYGFD, SWCW&P, Kanda lateral mitigation fund	45353	Invasives	2007, 2008	Yes
Cont Fund		BLM KFO 090	Eradication of Dalmation Toadflax and Dyer's Woad on Raymond Mountain	Invasive species treatment to improve the forage base for wildlife species in this area	\$50,600	JD	1,000	Acres	Lincoln County Weed and Pest District (Afton, WY)	50997	Invasives	Yes	Yes
Cont Fund		BLM KFO 090	Lincoln and Uinta County Noxious Weed Management	Invasive species treatment	\$100,000	JD	1,000	Acres	Lincoln County Weed and Pest District (Afton, WY) and Uinta County Weed and Pest (Evanston, WY)	50996	Invasives	No	Yes

Cont Fund		BLM PFO 100	Pinedale Field Office Noxious Weed Management	Increases the level of noxious weed control	\$50,000	AL, BS, JD, MK	3 3000 1000 500	programs acres acres acres	Green River Basin Coop. Weed Mgt. Area members: Private Land Owners, Allotment Users, USFS, Sublette County Weed and Pest, Lincoln County Weed and Pest.	41006	Invasives	2008	Yes
Cont Fund		BLM RFO 030	Sand Creek/Willow Creek Salt Cedar Control	Removal of Tamarix along Sand Creek	\$25,600	JD	300	Acres	Sweetwater County	23685	Invasives	2008	Yes
Cont Fund		BLM RSFO 040	Sweetwater County Invasive Weed Control	Increases the level of noxious weed control	\$20,000	JD	300	Acres	Sweetwater County, Private landowners	33789 FY06	Invasives	No	Yes
11	102	BLM RFO 030	Hay Reservoir Weed Treatment Russian Knapweed	Invasive species treatment (Russian knapweed)	\$10,600	JD	600	Acres	Industry, Grazing Permittees, Sweetwater County Weed and Pest District, Permittees, Conservation District	45108	Invasives	No	Yes
10	110	BLM RFO 030	Inventory and Control Desert Alyssum in Lower Muddy Creek Watershed	Treat and monitor desert alyssum	\$20,000	MK, JD, BS	400, 400, 5000	acres	Carbon Cty Weed & Pest, DuPont, Oil & Gas, Permittees	46982	Invasives	No	Yes
5	150	BLM PFO 100	Boulder Jonah Cheat grass	Invasive species treatment	\$35,000				Sublette Co. Weed & Pest		Invasives	No	Yes

RIPARIAN/WETLAND

Cont Fund		USFWS, WGFD, BLM KFO	B-Q Canal Rehabilitation, Wetlands Improvement, and Elk Movement Monitoring	Rehabilitation of about 7 miles of dike for the B-Q Canal; creating a grass bank at Cokeville Meadows NWR; monitoring elk movement east of NWR	\$587,000	JL JG JA JF JP	2 1 1300 10 1	Projects Miles Acres Acres Number	WGFD, WY Audubon Society, Grazing Assn., WWNRT, MDF, RMEF, DU, NRCS, Private Citizens, USGS, Rocky Mtn. Sci. Center, NPS	47140	Wetland/ Riparian	No	Yes
Cont Fund		WGFD	Trumpeter Swan Nest Site Enhancement Project	Restore and enhance wetland habitat for spring through fall habitat for trumpeter swans and other wetland dependent avian species	\$100,000	JG, JH, JP	1 2 1	Miles Project Action	USFS, Upper Green River Grazing Association, DU	50684	Wetland/ Riparian	Yes	Yes
5	150	Green River Greenbelt Task Force	Killdeer Wetlands Rehabilitation	Construct Killdeer Wetlands rock sill to elevate river flow on the Green River to restore water in a wetland area.	\$200,000	JH	1	Project	City of Green River, Green River Green Belt Task Force	45366	Wetland/ Riparian	No	No
		PFO	La Barge Watershed	Permanent Dam Structure	\$150,000	JG	50	Miles	WGFD	50058	Riparian	No	No
2	168	RSFO	Bitter Creek Restoration	Replace Dam Structure	\$250,000	JH	1	Project	Conservation District, Landowner	50061	Riparian	No	Yes
9	115	RSFO	Buckhorn 18 mile flow well sage grouse exclosure and well head replacement	enclose flowing well to increase sage grouse habitat	\$165,000	JH JA	1 40	Project acres	Permittee	50059	Wetland/ Riparian	No	No
FY2011			Twin Creek sage grouse exclosure	Improve wetlands. Increase sage grouse habitat	\$75,000	JH JA	1 20	project acres	Permittee	50060	Wetland/ Riparian	No	Yes?
FY2011		RFO	South Fork Mill Creek	Stream Restoration. Aspen Regeneration	\$50,000	JN JG	200 2	acres		50064	Riparian	No	Yes

FY2011		RSFO	Chicken Springs	Restore habitat. Remove contaminates	\$100,000	JH	1	Project		45348	Riparian	No	Yes
6	145	RFO	Muddy Creek Fish Passage	Improving in-stream and riparian habitat through installation of in-stream rock structures. Reconnect 6 miles of fragmented habitat with the Muddy Creek	\$180,000				BLM, LSRCD, WGFD, USGS	45522	Riparian	No	Yes
		RFO	Fish Barrier Removal Savery/Baggs	Remove barriers from Savery/Baggs drainages. Improve fish habitat.	\$100,000	JI JG	1 3	Project miles	LSRCD	50065	Wetland/Riparian	No	Yes
4	153	RSFO	Seedskaadee Wildlife Refuge	Cottonwood Restoration	\$225,000	JA		Acres	FWS	50677	Riparian	No	Yes
Cont Fund		RFO	Colorado River Erosion control	Implement erosion control measures to reduce sediment and salt loading into the upper Colorado River watershed.	10,000	JB	2	Number	Combine with Muddy Cr	50686	Riparian	No	Yes
7	145	WGFD	McCullen Bluff Green River Sill Maintenance	Improve structural integrity and function of an existing rock sill structure near McCullen Bluff on Seedskaadee NWR	\$62,400				USFS		Riparian	No	

OTHER TREATMENTS

3	160	BLM SO	Wyoming Basins Native Plant Development Program	Development of native forbs found by WAFWA to be of conservation benefit to the sage brush obligates that are not commercially available	\$40,000	JZ	5	Species collected	Private Growers; Plant Materials Ctr., Meeker, CO; Bridger Plant Materials Center (NRCS); Wind River Seed; Wy Working Groups; NPS; USFS	44746	Other Veg Treatment	No	Yes
		BLM RFO 030	Baggs Juniper Treatments	Remove 100 acres of juniper	\$50,000	JA	100	acres	LSRCD, WWNRT	45521	Other Veg Treatment	No	Yes
		BLM RFO 030	Treat Sagebrush Habitat	Riparian treatment in sagebrush ecosystems as part of the Monitoring without Borders Team effort	\$25,000	JP	50	Actions	WGFD, South Central Sage Grouse Working Group, Industry, Rawlins Three Shot Foundation	45105	Other Veg Treatment	No	
8	119	PFO	SandSpring/Alkali Draw Watershed	Decrease toxicity in water/soil caused by industry. Improve habitat.	\$150,000				NRCS, Conservation District, Permittees	50055	Other Veg Treatment	No	Yes
FY2011		PFO	La Barge Common Upland Treatment	Hold wildlife in higher ground. Re-vegetation of forb.	\$50,000	JA	100	acres		50063	Other Veg Treatment	No	Yes

PRESCRIBED BURNS/FIRE

5	150	KFO	Pole Creek Prescribed burn and fence rebuild	Treat 6649 acres through prescribed burn and replace 5 miles of net wire fence with wildlife friendly fence in critical wildlife habitat	\$150,000	JM	6649	acres	BLM, WGFD, USFS, Horseshoe Ranch	50675 NYFPOR S	Prescribed Fire	No	No
----------	------------	-----	--	--	-----------	----	------	-------	----------------------------------	----------------	-----------------	----	----
